That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of *The King*, His Royal Highness The Prince Regent deemed it expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

GENERAL ORDER. No. 373.

Horse-Guards, 24th November, 1819.

SOME instances have occurred in which Officers, who have received Leave of Absence from Stations Abroad, have, after availing themselves of the usual period of Leave, made application for permission to exchange to the Half-Pay, or to retire from the Service, instead of rejoining their Regiments according to the condition on which Leave of Absence was granted them, by which means much inconvenience has been occasioned to the Service, as well as to the Officers serving with the Regiments:

His Royal Highness the Commander in Chief is therefore pleased to direct, that when Officers, serving with Regiments on Foreign Stations, shall apply for Leave of Absence, either on account of Ill Health, or on urgent Private Affairs, their Applications shall be accompanied by a Declaration, that it is their intention to rejoin the Regiment within the period for which Leave may be granted them, and that they have no intention of exchanging or retiring from the Service.

On applications accompanied by these Declarations, His Royal Highness will approve of the General Officers Commanding on Foreign Stations using their discretion in granting Officers Leave of Absence for the periods specified in the General Order of the 16th of September, 1815, as inserted in Page 427 of the General Regulations of the Army.

But when an Officer on a Foreign Station shall solicit Leave of Absence to enable him to return Home, with a view of retiring from the Service, or of exchanging to the Half-Pay, His Royal Highness directs, that a special Notification shall, at the time, be transmitted to the Adjutant-General of the conditions on which such Leave is granted, in order that no unnecessary delay may take place in the Appointment of a Successor to such Officer, and that the Successor may be required to join the Regiment as early as possible after the date of his Appointment.

By Command, &c.

HARRY CALVERT,
Adj. Gen.

GENERAL ORDER. No. 374.

Horse-Guards, 26th November, 1819.

SOLDIERS who have extended their Engagements from the Army of Reserve, or from the Militia, into the Line, being entitled

by Act of Parliament, in the event of their Discharge, to the regulated Marching Allowance to the Places of their original Enrolment or Enlistment, His Royal Highness the Commander in Chief, with a view of ensuring to such Men the full benefit of this provision, has been pleased to direct, that a Certificate shall be annexed by the Commanding Officer to the Discharges of Men falling under this description, stating, to the best of his knowledge and belief, the Place and Date of their original Enrolment or Enlistment. In most instances, it is presumed, satisfactory information on this point will be furnished by the Regimental Records, but in cases where they may happen to be deficient, it is expected that Commanding Officers will be very careful to ascertain the accuracy of the Statements on which their Certificates are grounded.

By Command, &c.

HARRY CALVERT,
Adj. Gen.

GENERAL ORDER. No. 375.

Horse-Guards, 30th December, 1819.

IT is the Commander in Chief's Command, that all Officers belonging to Regiments on Foreign Stations, shall consider themselves as under Orders to join their Regiments from the date at which their Names are placed on the Returns of their Regimental Dépôts; nor, from this time, will an excuse from any Officer be admitted for his not being prepared for Embarkation when an Order to that effect is given.

The only Officer who can be considered as exempt from this Order, is the one appointed to the Command of the Dépôt;—the period, during which he is to be permitted to remain in such Command, is prescribed in the General Order of the 3d November, 1818, and inserted in Page 534 of the General Regulations of the Army.

The Commander in Chief directs, that the attention of Officers shall at the same time be re-called to the directions contained in Page 37 of the General Regulations of the Army.

“No Regimental Officer, being actually under Orders to join a Regiment or Battalion on Foreign Service, or to embark with a Corps destined for Foreign Service, shall be permitted to exchange into another Regiment, except such Exchange shall be solicited on the ground of extreme Ill Health, which must be certified by a Military Medical Officer.”

In these Medical Certificates it must be clearly stated whether the cause of the Officer's Inability has, or has not, arisen subsequently to his having been placed under Orders to join his Regiment.

By Command, &c.

HARRY CALVERT,
Adj. Gen.

LIST OF BRITISH MILITARY OFFICERS ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified as such in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY AND OF HIS ROYAL HIGHNESS THE PRINCE REGENT, RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of *The King*, His Royal Highness The Prince Regent deemed it expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy; either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

War-Office, 8th January, 1820.

SIR,

REFERRING to my Circular of the 29th April, 1817, No. 354, respecting the Expenses incurred for Recruits at first passed for the Service, but rejected on final inspection, I have to desire, in order to afford me better means of deciding on doubtful Cases arising out of the Regulation therein laid down, that whenever a Recruit having been approved by One Medical Officer shall be considered by the Surgeon of the District, unfit for Service, the said District Surgeon should point out to the Inspecting Field Officer, the disability which in his opinion disqualifies the Man, and the said Inspecting Field Officer should thereupon sign a Certificate stating that he had personally examined the Man, and was himself satisfied of his unfitness.

I have, &c.
(Signed) PALMERSTON.

CIRCULAR. No. 432.

WAR-OFFICE, 12th May, 1820.

HIS Majesty having been pleased to approve of the Regiment of Militia, under Command, being called out for Training and Exercise, in the present Year, as soon as the necessary arrangements can be made for that purpose, I have the honour to communicate the following particulars respecting the Pay, Allowances, and Equipment of the Officers and Men on this occasion, viz.

The Officers, Non-commissioned Officers, Drummers, and Men, are to

receive, during the period of Training, the same Rates of Regimental Pay and Allowances as the Militia received while they were last embodied. The Officers will receive an Allowance for the Carriage of their Baggage at the Rate of Nine-pence per Mile, from the place of their Residence, if within the County, or if not within the County, then from that Border of their own County which is nearest to the Place where they may happen to be when summoned to attend.

The Men will receive the usual Marching Allowance from the places from which they shall proceed to join, provided such places be not more distant from the Place of Assembly than the Parishes for which they are respectively enrolled: and the like Allowances will be made to the Officers and Men on being dismissed.

Instructions will be given to the Paymaster as to the Rates of the said Pay and Allowances, and as to the mode of drawing for, and issuing the same, but no Officer or Man will be entitled to pay for any period of Absence, even though Absent with Leave, unless he shall have joined the Regiment during the period of Assembly.

The Permanent Non-Commissioned Officers and Drummers, are, of course, fully Clothed and Equipped for Duty; it is therefore only necessary to provide for the Equipment of the additional Non-commissioned Officers and Drummers, and of the Private Men; and a sufficient quantity of the Articles specified in the Margin* will be sent for this purpose from the Public Stores.

The small Articles of Necessaries, such as Shoe-brushes, &c., are to be provided out of the Regulated Stoppages from the Pay of the Men during the Period of Training, according to the Act of the 42d Geo. III. Cap. 90. Sec. 96.

The Articles so provided out of the Stoppages are to be taken away by the Men on being dismissed; the other Articles of Clothing and Necessaries are to be lodged carefully in the Regimental Stores for use on future occasions.

It is not thought necessary at this Season of the Year to furnish Great Coats for the whole Corps, it being expected that those now in the Regimental Store, or in wear by the Permanent Non commissioned Officers and Drummers, will be sufficient for the proportion of the Men on Guard.

As I may not be in possession of the Pay and Clothing Act for the Disembodied Militia for the Current Year, I enclose a Printed Copy thereof for your Information:

I have, &c.
(Signed) PALMERSTON.
